

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are recognized within the industry as durable and strong equipment which satisfies all the needs of heavy industry and larger infrastructure. Products made in America; the sales are conducted nationwide through national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind model of floor scrubber with the Clarke Company which is now also owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln has the ability to supply warranty service, equipment and components for these types of scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of several facility supervisors where efficiency and results matter. Lately, this particular floor scrubber model has been requested by the architects in various construction projects like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on location due to the model's excellent quality and utmost performance level for polishing concrete.
