

Lull Telehandler Parts

Lull Telehandler Part - Lull telehandlers have been supplying precision load placement ever since nineteen fifty nine. Whether the work involves transferring loads, positioning heavy steel or landing loads on scaffoldings, using a Lull telehandler would really help make the work go faster and easier. These units are complete along with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull could provide eighty inches of boom travel for precision placement capabilities. There are also several optional Lull attachments for their telehandlers to be able to help complete whichever job.
