

Nissan Forklift Parts

Nissan Forklift Parts - Nissan prides itself on attaining complete consumer satisfaction when their client is enjoying one of their countless trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to delivering high value and meticulous quality standards to their clients. Incorporating a fruitful heritage combined with strong production principals, Nissan Forklifts supply a few of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide wishes of their diverse customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing customer support, the company has four separate manufacturing facilities that allow them to continually adapt to their consumers continually evolving requirements by providing an array of modern ideas and designs.

The Nissan Forklift North and South American center is stationed in Marengo, Illinois. A dedicated team of 350 personnel is committed to the cooperation, design and fabrication of their products. Working under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to sustain environmental accountability by using systems that reduce the worldwide effect of their products and processes. These high standards remind customers that Nissan operates under the quality seal that their consumers require while being an environmentally conscious organization.

Nissan is quite convinced that any of their consumers queries and customer concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community authorized dealers or even visiting their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their warmth and dedication.
